Innovative Products for
Ob/Gyn Professionals

MedGyn AL-106™ and AL-106-SA™ Digital Video Colposcopes & Image and Data Management Software

Simplicity

Different from traditional optical colposcopes, the AL-106™ and AL-106-SA are digital colposcopes with an LED light source to ensure ultra-bright visualization and a long life cycle. Their unique optics provide multiple filters to ensure high quality images and improved visualization of blood vessels.
